One Motion
Egress Compliant

GIVE CONTROL BACK TO YOUR FACULTY AND STAFF.

HAVEN Lockdown™ gives teachers, administrators, and staff options of individually locking down rooms within seconds. This provides them the access control they need while affording peace of mind to authorities and first responders.

Lockdown installs easily and can be activated manually, with the mobile app or the optional key fob. With its low maintenance costs and available egress button and motion sensor, Locdown is the right plan to potect your people.

One Motion Egress Compliant

PROTECT
The strongest lock available with 2,000 lbs of holding force.

DETECT
Built-in accelerometers sense any attempted door breach.

NOTIFY
Intruder location alerts sent via text, app, or email.
