

HAVEN GUARDIAN ANGEL PROGRAM

3 FREE LOCKS

The HAVEN Guardian Angel Program is a program that donates 3 Lockdown systems to schools, churches or daycares to give them immediate protection.

No limit on the number of participant locations.

PROTECT YOUR OFFICE, PROTECT YOUR COMMUNITY

HAVEN Lockdown™ gives the same protection to your employees at the office as it does your children at school by allowing individual doors to be instantly secured in the event of an active threat by the strongest, most code compliant lockdown system ever made.

HOW THE GUARDIAN ANGEL PROGRAM WORKS

Step 1: Determine the # of rooms that need protection by scheduling time with a HAVEN specialist.

Step 2: Specify the location and facility type you want Lockdown units sent to.

Step 3: Place your order, and we'll handle the rest.
